

JULES Meeting 2026

8 September (afternoon) — 10 September (noon), 2026

HOSTED BY

University of Reading, United Kingdom

We are pleased to announce that the JULES Meeting will be held this year at the University of Reading. Join the community to share research, discuss model developments, and connect with fellow JULES users and developers.

WHAT TO EXPECT

The meeting will feature oral presentations and poster sessions spanning JULES science and technical developments, module updates, and special discussion sessions. Open to researchers at all career stages across the JULES community.

KEY DATES

ABSTRACT SUBMISSION IS OPEN NOW
